

# 2-1 Designation

TRO is transitioning from two designations to one: R/TRO

The change to 1 designation will be a 2-year transition. More information will be shared throughout the 2-year period

## Changing Terminology

- Registration Designation -> Designation
- Pathway A -> Curriculum reviewed school
- Pathway B -> Non-curriculum reviewed school

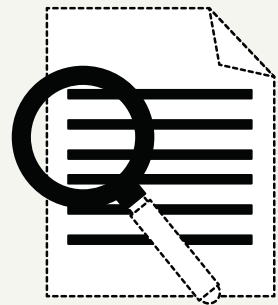

## Curriculum reviewed schools

- Indicate the number of placement hours obtained
- We now required 5 PCCs, along with documentation showing how these PCCs were obtained
- Must have a TRO Membership

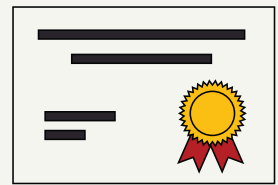

## Non-Curriculum reviewed schools

- 25 PCCs
- TRO membership
- 5 TR courses + Syllabi + 3 supportive courses
- 1,950 hours of practical experience in TR

## CTRS Applicants

- Proof of TRO membership
- Presentation of the NCTRC certificate
- 5 PCCs

All current R/TRO DIP will be transitioned to R/TRO automatically

The next intake period for designation applicants is April 1, 2023. We will be evaluating and optimizing the process over the next 2 years.
